10. If you are not satisfied with their service, you can cancel your subscription anytime, **unsubscribe without additional charges**.

White Cargo Forgotten History Britains Book Preview

White Cargo is the forgotten story of the thousands of Britons who lived and died in bondage in Britain's American colonies.

In the seventeenth and eighteenth centuries, more than 300,000 white people were shipped to America as slaves. Urchins were swept up from London's streets to labor in the tobacco fields, where life expectancy was no more than two years. Brothels were raided to provide breeders for Virginia. Hopeful migrants were duped into signing as indentured servants, unaware they would become personal property who could be bought, sold, and even gambled away. Transported convicts were

paraded for sale like livestock.

Drawing on letters crying for help, diaries, and court and government archives, Don Jordan and Michael Walsh demonstrate that the brutalities usually associated with black slavery alone were perpetrated on whites throughout British rule. The trade ended with American independence, but the British still tried to sell convicts in their former colonies, which prompted one of the most audacious plots in Anglo-American history.

This is a saga of exploration and cruelty spanning 170 years that has been submerged under the overwhelming memory of black slavery. **White Cargo** brings the brutal, uncomfortable story to the surface.
