Payroll Accounting Computerized Software Cd Rom Book Preview

Prepare for career success with first-hand experience in calculating payroll, completing payroll taxes, and preparing payroll records and reports. The 2014 edition of Bieg/Toland's market-leading text addresses all of the latest laws on payroll. The text focuses on applications rather than theory, and includes strong end-of-chapter material that reinforces concepts and provides valuable hands-on learning experiences. Numerous new examples and real business applications enliven this edition and demonstrate the relevance of the material. An extensive payroll project within the last

chapter of the book gives students the opportunity to practice all they have learned, either manually or using Payroll Accounting software included with the text.
