Qigong Massage Your Child Autism Book Preview

Qigong massage has been used in China for thousands of years as a means to achieve health and wellbeing, and to treat a wide variety of ailments. This book teaches parents a simple qigong massage programme that has been developed specifically for the needs of children with autism spectrum disorders (ASDs). With step-by-step instructions and an accompanying DVD demonstrating the technique in action, this book offers parents clear guidance on how to adopt qigong massage into their child's daily routine successfully. The program is based around a core 15 minute massage that, when performed regularly, has been shown to greatly improve mood and behavior, sleeping patterns, and language and social skills. Also included is

information on diet, advice on reading a child's body language during massage, and helpful progress checklists. Qigong massage is the ideal therapy for parents looking for an alternative way to strengthen the mind, body and sensory abilities of their young child with autism aged 6 and under.
