Vinegar, Better than Prescription Drugs? Thousands of years ago ancient healers trusted apple cider vinegar, and modern research shows - vinegar truly is a wonder cure! In fact, apple cider vinegarâ€™s biggest fans believe this golden liquid can help solve the most troublesome of human afflictions. Since even the earliest of times a daily vinegar cocktail was used to help control appetite to lose weight and continue good health. And now after years of continued research all across the globe, over 1000 new vinegar super-remedies and tonics are available in the brand new 208-page Vinegar Anniversary Book by famed natural health author, Emily Thacker. Author of the very first book of its kind since the 1950â€™s, Ms. Thacker

brings her unique wisdom, experience and down-home flavor to this complete collection. From the Bible to Cleopatra to the fierce Samurai warriors of Japan, vinegar has been documented as a powerful tonic to ensure strength, power and long life. In China, the health system that has been in place for thousands of years recognizes the value of vinegar. Traditional Chinese Medicine (TCM) oversees the health of millions of Chinese – not with modern drugs – but with proven remedies that include vinegar. Today’s research studies and scientific reports continue to praise the healing powers of vinegar to maintain good health and well being. Even grandma knew that her old remedies worked even if she wasn’t able to explain why. And scientific research confirms this. For instance, grandma said putting diluted vinegar in the ears would ward off infections. The American Academy of Otolaryngology’s doctors – who specialize in treating infections like swimmer’s ear - now recommend using a vinegar mixture as a preventative. The Yale-New Haven hospital uses vinegar as a hospital disinfectant. When after-surgery eye infections became a problem, their Department of Bacteriology solved it with vinegar. Food poisoning? Some doctors suggest that regular vinegar use can prevent it! The 208-page Vinegar Anniversary Book will amaze you with its over 1000 natural remedies, secrets, tonics and cure-alls for a healthier, happier life. You’ll get easy recipes that mix vinegar with other common household items to help:

- Calm an upset stomach
