## **Blink Screen Collected Shorter Fiction Book Preview**

A collection of short fiction from Terry Pratchett, spanning the whole of his writing career from schooldays to Discworld and the present day.

Â

In the four decades since his first book appeared in print, Terry Pratchett has become one of the world's best-selling and best-loved authors. Here for the first time are his short stories and other short-form fiction collected into one volume. **A Blink of the Screen** charts the course of Pratchett's long writing career: from his schooldays through to his first writing job on the *Bucks Free Press*, and the origins of his debut novel, **The Carpet People**; and on again to the dizzy mastery of the phenomenally successful

Discworld series.

Â

Here are characters both familiar and yet to be discovered; abandoned worlds and others still expanding; adventure, chickens, death, disco and, actually, some quite disturbing ideas about Christmas, all of it shot through with Terry's inimitable brand of humour. With an introduction by Booker Prize-winning author A.S. Byatt, illustrations by the late Josh Kirby and drawings by the author himself, this is a book to treasure.
