10. If you are not satisfied with their service, you can cancel your subscription anytime, **unsubscribe without additional charges.**

## **Beastie Boys Book Book Preview**

#1 NEW YORK TIMES BESTSELLER • A panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself—by band members ADROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Spike Jonze, Wes Anderson, Luc Sante, and more. Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in the words of the band. Adam “ADROCK” Horovitz and Michael “Mike D” Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick Rubin; the debut album that became the first hip hop record ever to hit #1, Licensed to Ill—and the album’s messy fallout as the band broke with Def Jam; their move to Los Angeles and rebirth with the genre-defying masterpiece Paul’s Boutique; their evolution as musicians and social activists over the course of the classic albums Check Your Head, Ill Communication, and Hello Nasty and

the Tibetan Freedom Concert benefits conceived by the late Adam “MCA” Yauch; and more. For more than thirty years, this band has had an inescapable and indelible influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, *Beastie Boys Book* upends the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys’ New York, mixtape playlists, pieces by guest contributors, and many more surprises. Praise for *Beastie Boys Book* “This entertaining look at Beastie Boys history is as innovative and raucous as the band’s music.”—*Publishers Weekly* (starred review)  
“Beastie Boys fans will devour this book, as will anyone interested in the early days of hip-hop, the art/music/street life of New York City in the 1980s, and the alternative-nation zeitgeist of the ’90s.”—*Kirkus Reviews*
