Baton Basics Communicating Through Gestures Book Preview

Baton Basics offers a unique approach to teaching conducting based upon the concept of conveying weight, resistance, and energy in order to communicate a better concept of musical sound to the musicians. Featuring many detailed drawings and access to over 60 video examples on the companion website, *Baton Basics* guides conductors away from simply marking beat patterns, and towards a nuanced and phrased musicality that can be communicated to a group of musicians. *Baton Basics* is a key foundational text for the student and experienced conductor alike, and is a must read for anyone interested in improving and expanding their

vocabulary of conducting gestures.
