The Book Kells Illustrated Introduction Book Preview

"Beautiful & by far the best modern short account of one of the great monuments of early Irish civilization & required reading for anyone interested in the subject."â€”*The Irish Times*

The Book of Kells is a masterpiece of medieval artâ€”a brilliantly decorated version of the four Gospels with full-page depictions of Christ, the Virgin and the Evangelists as well as a wealth of smaller decorative painting. The strange imagination displayed in the pages, the impeccable technique and the very fine state of preservation make *The Book of Kells* an object of endless fascination.

This edition reproduces the most important of the fully decorated pages plus a series of enlargements showing the almost unbelievable minuteness of the detail; spiral and interlaced patterns, human and animal ornamentâ€”a combination of high seriousness and humor. The text is by Bernard Meehan, the Keeper of Manuscripts at Trinity College, Dublin.
