Use eye-popping visual tools to energize your people!

Just as social networking has reclaimed the Internet for human interactivity and co-creation, the visual meetings movement is reclaiming creativity, productivity, and playful exchange for serious work in groups.

*Visual Meetings* explains how anyone can implement powerful visual tools, and how these tools are being used in Silicon Valley and elsewhere to facilitate both face-to-face and virtual group work. This dynamic and richly illustrated resource gives meeting leaders, presenters, and consultants a

slew of exciting tricks and tools, including

- Graphic recording, visual planning, story boarding, graphic templates, idea mapping, etc.
- Creative ways to energize team building, sales presentations, staff meetings, strategy sessions, brainstorming, and more
- Getting beyond paper and whiteboards to engage new media platforms
- Understanding emerging visual language for leading groups

Unlocking formerly untapped creative resources for business success, *Visual Meetings* will help you and your team communicate ideas more effectively and engagingly.
