Only Grant Writing Book Youll Ever Book Preview

This book is designed to help nonprofit organizations craft proposals for grants from foundations, companies, and government agencies.

Ellen Karsh, a writer and former director of the Mayor's Office of Grants Administration, in New York, and Arlen Sue Fox, associate executive director for development at Sunnyside Community Services, also in New York, significantly update this edition from 2005 by including interviews with grant makers about how the current economic crisis is affecting their giving and how grant seekers can improve their chances of garnering support.

The book includes a proposal checklist, a glossary of terms, sample grant forms, and a list of Web sites that provide information on grants offered by foundations, corporations, and the government.
