10. If you are not satisfied with their service, you can cancel your subscription anytime, **unsubscribe without additional charges**.

The Internet Playground Irreverent Correspondences Book Preview

From the notorious Internet troublemaker who brought the world the explosively popular *Next Time I'll Spend the Money on Drugs Instead*, in which he attempted to pay his chiropractor with a picture he drew of a spider; "Please Design a Logo for Me. With Pie Charts. For Free," which has been described as one of the most passed-on viral e-mails of all time; and, most recently, the staggeringly popular "Missing Missy", which has appeared everywhere from *The Guardian* to *Jezebel* to Andrew Sullivan's *The Daily Dish*, comes this profoundly funny collection of irreverent

Internet mischief and comedy.

Featuring all of Thorne's viral success, including "Missing Missy", *The Internet Is a Playground* culls together every article and e-mail from Thorne's wildly popular website 27bslash6.com, as well as enough new material, available only in these pages, to keep you laughing-and, indeed, crying-until Thorne's next stroke-of-genius prank. Or hilarious hoax. Or well-publicized almost-stint in jail (really).

"There is usually a fine line between genius and insanity, but in this case it has become very blurred. Some of the funniest and most clever writing I have read in years."--Terrance Fielding, *WIRED* magazine

"I laughed so hard and uncontrollably I could hardly breathe. Reading this on public transport is not a good idea."--*Penthouse* magazine

"Brilliantly funny."--Jezebel.com
