American Infidel The Story Good Book Preview

"My name is Tony Battaglia and by the time you read this, I'll probably be dead." Increasingly exasperated at an ever-changing world that no longer resembles the one he was raised in, Tony Battaglia starts a journal to cope with the growing frustration that now controls his life, documenting everything that's wrong with the "new America" in his eyes. Set shortly after the 9-11 terrorist attacks, American Infidel, the first installment of the trilogy, explores the mind of a seemingly normal, middle-aged man-a man desperate to find meaning in his life and to "make a difference" in the world, beyond his business career; desperate for his divisive, manipulative, and impotent government to regain sanity; and desperate for his country to

repay the murderers who changed the landscape of America and the world after 9-11. American Infidel is a brutally honest, politically incorrect, darkly comedic, and disturbing overview of what can happen to a man who is sick and tired of being sick and tired with the world he lives in and its evil hypocrisy. The actions he's willing to take to "right the ship/reverse the whip" render this seemingly normal everyman unrecognizable, even to those who know (or knew) him. Is Tony Bataggia a hero or a disturbed heretic? It all depends on your point of view...
