## **Hollywood Bid Patrol Reports 2007 2011 Book Preview**

Andrews International Security (A/I) has been running security patrols for the Hollywood Entertainment District Business Improvement District (BID) and the Sunset-Vine BID in Los Angeles since 2007. Roughly once a month a representative from A/I meets with the security subcommittee(s) of the BIDs and fills them in on what the BID patrols have been up to. This volume contains all such reports for the years from 2007 to 2011, which we obtained from the Hollywood Property Owners Alliance, the shell corporation which manages the two BIDs, under the California Public Records act. The reports contain incredibly, obscenely, detailed descriptions of the activities of the BID patrols during these years. This

book will be of interest to students of public policy, urban studies, criminology, sociology, and so on. Or maybe you just want to see what they said about you after they arrested you! A free PDF of this book, along with the original files it comprises, may be found at <http://michaelkohlhaas.org> .
