10. If you are not satisfied with their service, you can cancel your subscription anytime, **unsubscribe without additional charges**.

## **Fed White Blue Finding America Book Preview**

Simon Majumdar is probably not your typical idea of an immigrant. As he says, "I'm well rested, not particularly poor, and the only time I ever encounter a huddled masses is in line at Costco." But immigrate he did, and thanks to a Homeland Security agent who asked if he planned to make it official, the journey chronicled in *Fed, White, and Blue* was born. In it, Simon sets off on a trek across the United States to find out what it really means to become an American, using what he knows best: food.

Simon stops in Plymouth, Massachusetts, to learn about what the pilgrims ate (and that playing Wampanoag football with large men is to be avoided);

a Shabbat dinner in Kansas; Wisconsin to make cheese (and get sprayed with hot whey); and LA to cook at a Filipino restaurant in the hope of making his in-laws proud. Simon attacks with gusto the food cultures that make up America—brewing beer, farming, working at a food bank, and even finding himself at a tailgate. Full of heart, humor, history, and of course, food, *Fed, White, and Blue* is a warm, funny, and inspiring portrait of becoming American.
