Eleven O'clock Fright Joshua Scribner Book Preview

When Dr. Kurt Snaber moved into a new house in a new town he was accompanied by his dog, Louis, and the ever-present voices of his mother and his dead wife. Only the dog was welcome. As he settled into a new position at the local university, and a tentative romance with a new neighbor, Snaber's life began to take an even stranger turn than the one that had brought him to this place. There was something strange going on in this quiet neighborhood--something that seemed to happen each night at 11:00 o'clock. Joshua Scribner has created a compelling, delightfully creepy tale of supernatural terror. Definitely not to be missed.
