Agricultural Statistics At Glance 2014 Book Preview

A flagship publication of the Ministry of Agriculture, this is an authentic source of data on various facets of the agriculture and allied sector. It gives a comprehensive picture of Indian agriculture by presenting statistical data across states and time periods, covering diverse aspects, such as crop production and productivity, land use, agricultural inputs, terms of trade, price support and procurement, domestic and international trade, rainfall, credit and insurance. Though primarily based on data being continuously generated by the Ministry of Agriculture through a nation-wide agricultural data collection system and from various other central and state government Departments, the 2014 edition includes key indicators of Situation

Assessment Survey of Agricultural Households 2013, made public in
December 2014.
