10. If you are not satisfied with their service, you can cancel your subscription anytime, **unsubscribe without additional charges**.

## **Incest Murder Marquis Stage Volume Book Preview**

Volume 1 of 3. Volume 1 presents Sade's earliest theatrical efforts, ranging from occasional verse, written to accompany the plays of other authors, to his first attempts at comedy and a newly developing bourgeois tragedy called the drame. The violence and eroticism of Sade's infamous novels are present in the plays, though in a lower dosage, obviously to render them accessible to public performance rather than private reading. "[I]t is at the theatre rather than somewhere else that we must revive the almost extinguished flame of the love that every Frenchman owes his country; there is where he'll be convinced of the dangers that would exist for him should he fall back into the hands of tyranny. He'll carry home the

enthusiasm and teach it to his family and its effects will be so much more durable, so much more passionate than the momentary inspirations of a newspaper article or proclamation because at the theatre, he learns the lesson by example, and he remembers it." - The Marquis de Sade
