Med School Confidential Complete Experience Book Preview

Med School Confidential uses the same chronological format and mentor-based system that have made *Law School Confidential* and *Business School Confidential* such treasured and popular guides. It takes the reader step-by-step through the entire med school process--from thinking about, applying to, and choosing a medical school and program, through the four-year curriculum, internships, residencies, and fellowships, to choosing a speciality and finding the perfect job.

With a foreword by Chair of the Admissions Committee at Dartmouth Medical School Harold M. Friedman, M.D., *Med School Confidential* provides what no other book currently does: a comprehensive,

chronological account of the full medical school experience.
