After Rain Karen White Book Preview

From “one of the best new writers on the scene today” (*The Huffington Post*) comes the sequel to *Falling Home*, a novel set in the picaresque town of Walton, Georgia, where one woman is about to discover that the best journey is the one that brings you home.

Freelance photographer Suzanne Paris has been on her own since she was fourteen and she has no intention of settling down, especially not in a tiny town like Walton, Georgia. She’s here to hide out for a little while, not to form connections. Her survival depends on her ability to slip in and out of people’s lives, on never staying in one place for too long.

But no one in Walton plans on making things easy for Suzanne. For one

thing, itâ€™s a town where everyone knows everyone else”and they all seem intent on making Suzanne feel right at home. For another, Suzanne canâ€™t help but feel drawn to this tight-knit community”or to the townâ€™s mayor, Joe Warner, and his six kids. But Suzanne canâ€™t afford to stick around, even if sheâ€™s finally found a place where she belongs. Because someone is looking for her”someone who wonâ€™t stop until her life is destroyed! Â
