It wasn't the "sex talk" he expected. Phillip Sallinger's dad has told him he's a custodian--a guardian--and his genetically inherited power is telekinesis. He'll learn to move objects with his mind. Excited to begin superhero high school until he discovers he's assigned to a "special ed" class for disabled empowered kids, he suddenly feels like an outsider.Â Bullied, threatened, and betrayed, Phillip struggles, even as he and his friends--calling themselves the Ables--find ways to maximize their powers to overcome their disabilities, and are the first to identify the growing evil threatening
