Privileged Life Celebrating Wasp Style Book Preview

Book Description

At once glamorous and mysterious, the WASP lifestyle has influenced countless trends in the worlds of fashion, home design, and pop culture. Today, one no longer has to be a WASP to embrace its casual-yet-elegant attitude and sense of style. With lively text and over one hundred images from world-renowned photographers, A Privileged Life: Celebrating WASP Style is the first book of its kind to unveil this rarefied way of life, one that many emulate though few truly understand.

From the eclectic and well-decorated home of Sister Parish to the popular pink-and-green color combination of preppy chic to iconic photographs of the style makers who embody the WASP spirit like Grace Kelly, Truman Capote, or Jacqueline Kennedy, this book celebrates our timeless fascination with America's leisure class.
