Ice Palace Book Preview

Originally published in 1958, Ice Palace is Pulitzer Prize winner Edna Ferber's classic and mighty novel about the taming of a great northern wilderness—Alaska. Czar Kennedy came to Alaska for money and power, Thor Storm for a dream. This is the story of their struggle, over a long half-century, for the future of Alaska and the destiny of their beautiful, rebellious granddaughter, Christine, a courageous woman who must make a choice that will shape the destiny of a new generation. Above all, it is the glowing and eloquent tale of Alaska itself—the last, great American frontier.
