10. If you are not satisfied with their service, you can cancel your subscription anytime, **unsubscribe without additional charges**.

If You See Me Don T Say Hi Book Preview

A Vanity Fair Ultimate Fiction Pick "These stories have a sharp eye for the complexities of modern life, but Neel Patel writes with the wisdom and compassion of an old soul." —Celeste Ng, New York Times bestselling author of *Little Fires Everywhere* "A joy to read, reminiscent of Jhumpa Lahiri and David Ebershoff." —Imbolo Mbue, New York Times bestselling author of *Behold the Dreamers* In eleven sharp, surprising stories, Neel Patel gives voice to our most deeply held stereotypes and then slowly undermines them. His characters, almost all of who are first-generation Indian Americans, subvert our expectations that they will sit quietly by. We meet two brothers caught in an elaborate web of envy and loathing; a young gay man who becomes involved with an older man whose secret he could never guess; three women who almost gleefully throw off the

pleasant agreeability society asks of them; and, in the final pair of linked stories, a young couple struggling against the devastating force of community gossip. *If You See Me, Don't Say Hi* examines the collisions of old world and new world, small town and big city, traditional beliefs (like arranged marriage) and modern rituals (like Facebook stalking). Ranging across the country, Patel's stories -- empathetic, provocative, twisting, and wryly funny -- introduce a bold new literary voice, one that feels more timely than ever.
