The Secrets Of Blood And Bone Book Preview

In the stunning follow up to The Secrets of Life and Death, Rebecca Alexander has created a gripping supernatural thriller that bridges time, legend and the power of blood. Following her showdown with Elizabeth Bathory, Jackdaw Hammond is running from her past, hiding from her future, and hoping to contain her newfound thirst for blood. Buying an overgrown home in the middle of nowhere seems like the perfect place to escape...at least until she finds herself in the sights of a murderous family with a terrible secret and a penchant for dark magic. Meanwhile, her old ally Felix Guichard has gone to New Orleans to conduct his own investigation into the nature of blood magic, but is soon sucked into the intrigues of the city's occult underworld. But Jack will need Felix more than she knows, for the battle for her soul is set to begin. Her only salvation may lie with the secrets of 16th century master occultist Edward Kelley, and a dangerous mission he undertook in Venice to confront the Inquisition, the darkest deeds of his own past, and the fearsome power of Elizabeth Bathory.
