Two Weeks Book Preview

From #1 New York Times bestselling author Karen Kingsbury comes a heart-wrenching and redemptive new story in the Baxter Family series about a couple desperately waiting to bring their adopted child home and a young mother about to make the biggest decision of her life. Cole Blake, son of Landon and Ashley Baxter Blake, is months away from going off to college and taking the first steps towards his dream—a career in medicine. But as he starts his final semester of high school he meets Elise, a mysterious new girl who captures his attention—and heart—from day one. Elise has her heart set on mending her wild ways and rediscovering the good girl she used to be. But not long after the semester starts, she discovers she’s pregnant. Eighteen and alone, she shares her secret with Cole. Undaunted by the news, and in love for the first time in his life, Cole is determined to support Elise—even if it means skipping college, marrying her, and raising another man’s baby. When Elise decides to place her baby up for adoption, she is matched with Aaron and Lucy Williams, who moved to Bloomington, Indiana to escape seven painful years of infertility. But as Elise’s due date draws near, she becomes focused on one truth: she has two weeks to change her mind about the adoption. With Cole keeping vigil and Lucy and Aaron waiting to welcome their new baby, Elise makes an unexpected decision—one that changes everyone’s plans. Tender and deeply moving, *Two Weeks* is a story about love, faith, and what it really means to be a family.
