## **Noir Knights Stuart Gorman Book Preview**

This is the tale of the 1930s Great Depression as you've never experienced it. For Heroic characters who are feeling in a particularly heroic mood, Noir Knights is part of our American Grit realm, where the characters are government agents investigating paranormal activity across a hard boiled film noir America. Whether it's a cardboard city of hobos protected by magic wards scratched into dumpsters, swampland encounters in Florida backwaters full of unnatural activity, or supernatural conspiracies in Washington D.C.'s corridors of power, the truth is out there. Industry and legend clash in a time of folk heroes, hobo mages, and secret societies. America is a nation of dust and determination. Ride the rails and prove your mettle.
