## **God Grace Homosexuals Heterosexuals Necessary Book Preview**

For a majority, homosexuality is an aggravation on the fringe of life, that is until one day, it personally involves them. Today, the voices of mankind are heard, but too often they are in direct conflict with one another. So who do you listen to? After years of longing for peace it appeared I had one avenue open to me. In the end, "Solo Fide", faith alone is left. Jesus said, 'Come unto me...I am humble of heart...and I will give you rest,' and 'Call to me and I will answer you and tell you great and unsearchable things you do not know.' I decided to simply take God at His word. If you are lost, unsure, feeling all alone and not sure who to trust with your painful

thoughts and questions, please know, you no longer need to struggle by yourself. I am with you - so now there are two of us and I will support you through out your own journey so that you also can finally rest secure in the arms of God, knowing you are blessed and free as you move forward with your child, family member, or friend who needs you. This book covers subjects such as: when your child comes out of the "closet" why you, the parent, need to follow and come out of your own closet; why the laws of Leviticus no longer police the lives of New Testament Christians; why you need to verbalize what you believe about LGBTQ's in your own heart and stop mimicing the words of others; how scripture in it's entirety speaks to the subject of sexual and gender diverse individuals; why we need to learn to wrestle with scripture; and how God's actions may speak louder than Biblical words. These discussions and more will move you toward a greater understanding of what is really involved if we as a society of caring people want to move forward to a positive future with human rights for all people. Finally, knowing your own heart and mind will allow you to understand not all leaders and speakers comprehend what they are so eager to speak out against - our loved ones and their complicated, very misunderstood lives. This is my story, a mother of two homosexual children. I include the steps I took to chisel away the walls separating my family, closing off our hearts and destroying our peace. The public risk of being personally rejected is all mine, the faith to risk is all from God. This is a book about God's perfect grace. My hope is you will gain a fuller understanding of the subject of homosexuality and the very real people who identify as sexually and gender diverse, and your heart will be blessed. I pray for healing in the lives of all.
