The Nazi Hydra America Suppressed Book Preview

A piercing study of the tenacious roots of American fascism in our plutocracy, from robber baron days to Reichstag fire to the WTC atrocity and "Homeland Security." This sweeping, 700-page documentary of the American oligarchy's century-long project for world dictatorship is bound to be a landmark in the writing of American history. Includes a blow-b-blow account of the successful fascist assault and takeover of America's media.
