## **101 Super Uses Tampon Applicators Book Preview**

Co-authors Lori Katz and Barbara Meyer have been using tampons for over a decade and consider themselves to be experts in tampon usage. This personal experience, combined with their toy design backgrounds, have led them to craft the first true bathroom book for women.

This irreverent activity book draws our attention to what is perhaps the most intimate and overlooked object we come in contact with: the tampon applicator.

101 creative ideas are cleverly illustrated and grouped into category headings ranging from fashion accessories to car detailing. In chapter 8,

learn how you can make a lovely wreath using nothing more than tampon applicators and household items. For a bigger challenge try your hand at constructing a scale model of the Starship Enterprise! Zen Garden, Foozball Replacement Player, Groovy Doorway Beads and many other funny ideas make this the perfect gift for anyone with a sense of humor.

101 SUPER USES FOR TAMPON APPLICATORS is a witty and creative look at a subject that is often taboo - but is really funny!
