Instead, he was sent to India” the first stop on a decades-long tour of the world that took Kapuscinski from Iran to El Salvador, from Angola to Armenia. Revisiting his memories of traveling

the globe with a copy of Herodotus' *Histories* in tow, Kapuscinski describes his awakening to the intricacies and idiosyncrasies of new environments, and how the words of the Greek historiographer helped shape his own view of an increasingly globalized world. Written with supreme eloquence and a constant eye to the global undercurrents that have shaped the last half-century, *Travels with Herodotus* is an exceptional chronicle of one man's journey across continents.
