## **Genesis Chapter Verse Phil Collins Book Preview**

*TheÂ long-awaited, definitive story of one of the most creative and commercial rock groups of all time, Genesis*

Â

One of the most imaginative, courageous, and unpredictable music acts ever, Genesis evolved from pioneers of progressive music in the 1970s to a global phenomenon, topping charts and selling over 150 million albums worldwide. The story of their band spans thirty years and thirty albums, and through all the changes in the bandâ€™s line-up and musical direction, the spirit of Genesis has remained constant and undimmed.

Â

*Genesis: Chapter & Verse* is the ultimate addition to any fanâ€™s collection, setting the record straight as the bandâ€™s members tell their story their way. Remarkably, the band survived the high-profile departure of not one lead vocalist, but two (Peter Gabriel and Phil Collins), two influential guitarists (Anthony Phillips and Steve Hackett), and its best-known drummer (Phil Collins). Genesis simply got stronger and bigger â€“ matching the huge solo success of Gabriel, Collins, and Mike + The Mechanics.

Â

A collaboration between all the members of Genesis, past and present, *Genesis: Chapter and Verse* is the bandâ€™s definitive autobiography: an intimate, no-holds-barred, no-stone-unturned history that allows character and personality to come to the forefront. Covering the bandâ€™s story as well as the writing and performance of significant songs from each period, this treasure trove of text and photographs provides long-awaited insight into the way this exceptional group of songwriters worked together, allowing the band to dispatch more than a few sacred cows along the way. It is a book like noneâ€™ other, and an exclusive look into the life and times of one of rockâ€™s most influential and lasting groups.
