Bespoke The Mens Style Savile Book Preview

A fully illustrated history of bespoke tailoring—the custom-made men's clothing that made a small London street a globally known brand to generations of sartorial connoisseurs. Savile Row is renowned for fine custom tailoring—"bespoke" in its own parlance. The term originated when cloth for a suit was said to "be spoken for" by customers who have included generations of stylish and tasteful men, from rakes to royals. *Bespoke* is the epitome of male sartorial style, exquisite quality, and craftsmanship, and has been worn by a veritable who's who of famous and important men: Winston Churchill, Cary Grant, Russell Crowe, David Beckham, and countless world leaders. *Bespoke* charts Savile Row's contribution to fashion and culture chronologically and features twenty-six profiles of today's master tailors from historic firms such as Gieves &

Hawkes and Henry Poole to more recent ones like Nutters and Oswald Boateng, who was the first Savile Row tailor to stage a catwalk show in Paris.
