The Minimalist Home Book Preview

A popular minimalist blogger and author of *The More of Less* shows you how to methodically turn your home into a place of peace, contentment, and purposeful living. One of today's most influential minimalist advocates takes us on a decluttering tour of our own houses and apartments, showing us how to decide what to get rid of and what to keep. He both offers practical guidelines for simplifying our lifestyle at home and addresses underlying issues that contribute to over-accumulation in the first place. The purpose is not just to create a more inviting living space. It's also to turn our life's HQ--our home--into a launching pad for a more fulfilling and productive life in the world.
