Bessie Pease Gutmann Published Collectors Book Preview

Bessie Pease Gutmann was a premier illustrator during the first half of the twentieth century. She embodies the feel and subject matter that has come to be associated with women illustrators of that period. This visual masterpiece contains more full-color photography of Gutmann's work than all other previous Gutmann publications, and is accompanied by the most complete pricing to her work ever offered. Some of the works shown are so rare that this book provides their only publication outside of hard-to-find antique art print catalogs. The magnificent imagery of this book will make it a wonderful addition to anyone's art library.
