Neil Welliver Prints Book Preview

Neil Welliver is well-known for his skill at capturing the intimate beauties of the Maine landscape on canvas. His huge oil paintings have been called "among the strongest im modern American art" by critic Robert Hughes. But Welliver's talent as a printmaker is less celebrated. In this book, for the first time, the artist's prints and his process are given the attention they deserve. Welliver's prints, like his paintings, are a blend of rusticity and sophistication.
