Worths Historic Hotels Images America Book Preview

Fort Worth, originally named Camp Worth, was founded as an Army outpost in 1849, and the old cavalry stables became Fort Worths first hotel. The Texas & Pacific Railroad arrived in Fort Worth in July 1876, bringing the need for more lodging. Shortly after its arrival, boardinghouses and simple accommodations were quickly opened. At the turn of the century, Fort Worth became a center for cattle ranchers, and the first luxury hotels were built. By the next decade, wealthy oil barons replaced the cattle ranchers, and the demand for larger and more elaborate hotels was established. Many of these first hotels were replaced with motor lodges and smaller chain hotels after the growth of the automobile industry; however, a

few are still in operation today.
