Out This World Maggie Morton Book Preview

Iris may have been dumped by Jane a year ago, but she still isn't over her. So she boards a plane to Amsterdam, hoping the physical distance will help. But once there, she finds herself in the middle of nowhere, with no wallet, no map, and no idea how she got there. Some ancient-looking ruins beckon, but once she's inside, the floor collapses, and she begins to fall. . . . straight into another world.

She literally lands on Anandra, a magical woman in a magical place far away from Earth and anything and everything familiar. Anandra is, admittedly, smoking hot, and Iris quickly falls into bed with her. Anandra offers to help Iris get home, and they embark on a journey rife with danger, excitement, and lots of hot sex.

As she travels the land with her new lover— and as they close in on a new, mysterious threat to this world— Iris begins to wonder if Anandra might be just what she needs to finally move on.
