Moving In Tales Unlicensed Marriage Book Preview

NY Times best-selling author and lifestyle expert Bruce Littlefield's latest book is his most personal to date. This time he takes readers on a wild and often hysterical ride through the first year spent fixing up a historic old house with partner (and unwitting handyman) Scott Stewart, one of Manhattan's top real estate brokers.

At a time when marriage equality has become a political and social hot topic, MOVING IN: Tales of an Unlicensed Marriage is an expose on relationships and renovation. The story shows that, no matter same or opposite gender, there's one in every couple who likes to make things

look pretty and one whoâ€™ll walk across a newly cleaned kitchen floor in muddy shoes to see the results.

MOVING IN features the tale of Bruce and Scottâ€™s freshman year of happy homemaking, during which time they: learn how to operate a lawnmower and that they shouldnâ€™t; debate whether to go to the emergency room after their 1929 oven burns off Bruceâ€™s eyebrow; invite a fugitive over for a beer; and almost strangle each other with Christmas lights.

As they say, marriage is made in heaven, but then again, so is thunder, lightning, and hail. This book is fun from cover to cover and will definitely make you feel better about your own relationship. Grab yourself a glass of wine and settle in to your side of the bed for a good read. But be warned, youâ€™re about to be told to keep the laughter down.

THREE QUESTIONS FOR BRUCE

Q: SCOTT BOUGHT YOU A HOUSE. WHAT'S THE BEST PRESENT YOU'VE EVER GIVEN HIM?

A: The best gift I ever gave Scott was the week I lost my credit card and simultaneously got laryngitis.

Q: WHAT'S THE SECRET TO YOUR RELATIONSHIP'S SUCCESS?

A: Weâ€™ve never been out of love with each other at the same time. And we follow the sage advice of never going to bed angry. Of course, sometimes that means we donâ€™t sleep for two weeks straight.

Q: ARE THERE ANY KIDS IN YOUR FUTURE?

A: Weâ€™ve been trying, but I just canâ€™t seem to get pregnant.
