Divorce Worst Ordinary Terrible Things Book Preview

"How can you not love a children's author who sees so clearly from her reader's point of view?"â€”Julie Bowen, actress,*Modern Family*

"This book provides, through honest language and evocative imagery, a uniquely realistic view of how children experience divorce. While neither softening or white-washing this difficult topic, Higginbotham offers an ultimately comforting message to parents and children experiencing separation and divorce."â€”Lisa Spiegel, LMHC,*Soho Parenting*, NYC

Kids are told, "it's for the best"â€”and one day, it may be. But right now,

divorce is the *worst*. With honesty and humor, Anastasia Higginbotham beautifully conveys the challenge of staying whole when your entire world, and the people in it, split apart. Exceptional in its child-centered portrayal, *Divorce Is the Worst* is an invaluable tool for families, therapeutic professionals, and divorce mediators struggling to address this common and complex experience.

Divorce Is the Worst is the first book in a series of feminist children's books, Ordinary Terrible Things, which deals with common childhood crises and how children themselves find their own way to cope and grow.

Anastasia Higginbotham is a writer and illustrator in Brooklyn, NY, whose childhood experience of divorce inspired this book.
