Counseling Choice Theory William Glasser Book Preview

In *Counseling with Choice Theory*, Dr. William Glasser takes readers into his consulting room and illustrates, through a series of conversations with his patients, exactly how he puts his popular therapeutic theories into practice.

These vivid, almost novelistic case histories bring Dr. Glasser's therapy to life and show readers how to get rid of the controlling, punishing *I know what's right for you* psychology that crops up in most situations when people face conflict with one another.

Practical and readable, *Counseling with Choice Theory* is Dr. Glasser's

most accessible book in years.
