Coremicroeconomics Eric Chiang Book Preview

With this new edition, Eric Chiang transforms *CoreMicroeconomics* into a text/media resource well attuned to today's students. Long active in the economics education community, Chiang brings a contemporary teacher's perspective to the book, supporting a variety of learning approaches by introducing modern topics, new pedagogy, a more visual presentation, and well-integrated media tools. All this while maintaining the book's defining focus on just those topics instructors cover most often in the course.
