10. If you are not satisfied with their service, you can cancel your subscription anytime, **unsubscribe without additional charges**.

Otto Klemperer Volume 1933 1973 Times Book Preview

Otto Klemperer was one of the great conductors of the century. This second volume of Peter Heyworth's celebrated biography follows the conductor's fortunes from his time as an émigré in the United States to his final years as conductor of the Philharmonia Orchestra of London. His time in America was frustrating and unhappy. He became chief conductor of the Los Angeles Philharmonic, but failed to secure important engagements on the East Coast. Bedevilled by manic depression, his euphoric moods led to wild escapades, on one occasion finding him in police cells. Returning to Europe in 1946, he found work at the Budapest State Opera until Stalin's grip forced him away. In the fifties he found work where he could,

suffering illness, accidents and depression. Finally, he was given a contract with EMI and his concerts and recordings with the Philharmonia brought, at last, the worldwide recognition that had so long eluded him. The two volumes are also available as a set.
