Dr Bev Isms Inspirational Thoughts Book Preview

Life for Dr. Beverly Boyarsky changed forever in 2004 after receiving a diagnosis of an incurable autoimmune disease. But through her illness and spiritual awakening, she discovered an inner strength that she never knew existed. Just a few months into her illness, inspirational words would come to her upon awakening from slumber in the early morning hours. She kept a journal next to her bed so that she could jot down each message that was spiritually sent from the universe; then began scribing them into quotes-aptly named Dr. Bev 'isms. A gifted award winning writer and photographer, Dr. Boyarsky has compiled her favorite personal photographs and inspirational thoughts in her first book, "Dr. Bev â€™isms:

A Photo Journey of Inspirational Thoughts" to guide you on your path to a healthier life. Join her on a personal journey through her camera lens and in her thoughts as she shares what it is like to live each day in a positive light, striving for total remission from an incurable illness. A portion of proceeds from this book will be donated to The Myositis Association. (TMA)
