10. If you are not satisfied with their service, you can cancel your subscription anytime, **unsubscribe without additional charges**.

Night Things Michael Talbot Book Preview

Built by a madwoman during the Victorian era, Lake House is a 160-room mansion in the Adirondacks with stairways that lead nowhere, bizarre rooms designed to distort the senses, endless series of mazelike halls-and a century-long history of violent deaths.

Lauren Montgomery, her son Garrett, and her new rock star husband Stephen Ransom have just arrived at Lake House, anticipating a long and relaxing summer. But what they don't know is that their rental home is actually a labyrinthine puzzle at whose center lurks something unspeakably evil . . .

An inventive and chilling haunted house story in the vein of Mark Z.

Danielewski's *House of Leaves*, Michael Talbot's *Night Things* (1988) is a page-turning mixture of horror and fantasy from the author of *The Delicate Dependency*.

"[T]he most ingenious haunted house in years . . . a grand puzzle . . . Haunted-house fans will enjoy the inventive architecture of Lake House." - *Kirkus Reviews*

"Talbot is a great storyteller . . . Night Things has twists which will pleasantly surprise even jaded horror readers." - *Weird Tales Magazine*
