Psalm Hymns Volume Worship Leader Reflection Book Preview

This is the updated, musician friendly version for worship leaders with few page turns. These 72 Davidic Psalms are set to great hymns of Faith for personal and communal reflection in worship. Psalms offer time-honored traditions of human worship. They expressly describe the wonders of God during terrifying events, illness and betrayal, and God's splendor in nature. They describe human relationships with God in life's miracles through gratitude and hope. The term, "Psalms," in the Hebrew means "Praises." Let the message about the Messiah dwell richly among you, teaching and admonishing one another in all wisdom, and singing psalms,

hymns, and spiritual songs, with gratitude in your hearts to God. Colossians 3:16 (HCSB) The wisdom of God's law lives in the human soul. It informs nature, architecture, medicine and science. It creates social peace, human lament, awe and comfort. It also infuses goodness into one's choices and activities. God's wisdom is like a mirror reflecting His personality, His desires, His power. Ancient prayers of witnesses record the Lord's acts of lovingkindness and odd silences, helping us now to recite and praise, with songs and instruments, to the object of our Faith. My hope is, by reciting or singing these Psalms, our souls are transformed by a new awareness of God's awesome presence. He redeems lives from the pit! His own can be assured that God's justice and mercy never fails! **CAPTURE BOOKS**
