Designer/builder Ethan Fierro celebrates summer with this collection of original outdoor shower designs that heâ€™s discovered across North America. He offers dozens of designs to choose from, all pictured in stunning color photographs, ranging from a simple showerhead on the side of your cottage to semi-detached and freestanding structures. Fierro also includes an overview of basic plumbing and structural requirements, along with suggestions for using a wide range of building materials, such as stone, wood, metal, frosted glass blocks, earth, concrete, tile, stucco, and landscape vegetation. His plans are environmentally sound and incorporate

cost-saving techniques, with ideas for repurposing found and recycled materials.Â
