## **Selected Intermediate Advanced Movements**

### **Masterwork Book Preview**

Musicians have long treasured the Mozart sonatas for their symmetry and perfection. This volume presents single movements as well as complete sonatas (K. 282, 283, 545 and 570) for study by the advancing pianist. The sonatas provide ample opportunity for developing control, technical facility, a singing style, and balance and voicing. The preface gives Dr. Hinson's helpful suggestions on pedaling, ornamentation, articulation and dynamics, as well as a suggested order of study. Careful editing allows the

teacher and student to make informed choices in interpreting these masterpieces.
