Intimacy The Heart Tony Sarch Book Preview

Iâ€™ve lived hard and hope to inspire people with my work. Every journey has a point in life and it just depends on how far you want to make the journey to make a point. I was born in Chicago IL in 1969, and have been writing since I was 15. I stopped for a while and just restarted with my work as I am still learning. I also write all different genres to improve my work and hope that what you read opens the door to your soul and imagination.
