Abba The Treasures Ingmarie Halling Book Preview

With their irresistible brand of pop, ABBA was the band that made dancing queens groove, the group that never met its Waterloo, the winner that took it all. They outsold and outperformed all their rivals throughout the 1970s, inspired a hit show that's run for decades, and served as the soundtrack for beloved movies. This magnificent tribute, written by the director of the ABBA Museum in Stockholm, takes an intimate, humorous look at the iconic quartet. In addition to brand-new interviews with all four members and backstage staff who have rarely if ever spoken about their work, it features never-before-seen images and removable facsimile memorabilia—including diaries, lyrics, a handwritten set list, and more.

Every fan will treasure this unique volume!
