Apple Pro Training Series Garageband Book Preview

In the only Apple-certified guide to GarageBand, readers will be creating original works within the first few chapters. Using real-life material and practical lessons that they can apply immediately to their own projects, this book/media combo offers a complete, self-paced course in all aspects of GarageBand. Focused lessons take you step-by-step through fun, real-world projects, and the newest GarageBand features.

Exclusively for this book, author/musician Mary Plummer works with a host of talented artists ranging from a student songwriter to a professional touring guitarist, an award-winning poet, an independent hip hop recording

artist, and award winning dancers to create all new, real-world projects that readers will step-through. Along the way readers will get to mix a songwriter's demo, test amp simulators and stomp boxes with an electric guitar solo, edit spoken dialog for an audio book, lay down original hip-hop beats using a drum machine patch and dynamic tempo changes, and add percussion and effects to a dance video to enhance the sound.
